

Palestine will live forever

From the sea to the river

Palestine will be free

From the river to the sea

Intifada! Intifada!

Long live the Intifada!

There is only one solution!

Intifada, revolution!

Not another nickel,
Not another dime,

No more money
for Israel's crimes

Palastine!

Palastine!

Palastine!

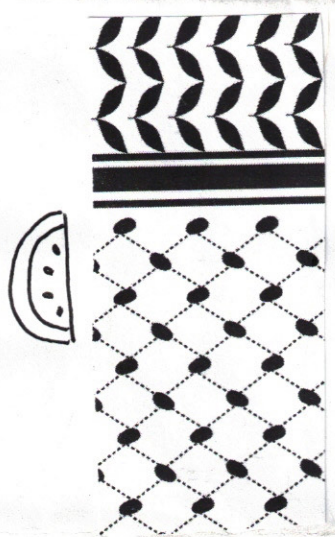

Palastine!

Palastine!
